DANNY CAN CLOSE DOORS AND EVEN PUT OUT SMALL FIRES USING HIS BODY.

JOJO WAS SOLELY RESPONSIBLE FOR HIS TRAINING.

HE AND JOJO SEEM TO GET ALONG WELL...

I BOUGHT THAT DOG FOR HIM WHEN HE WAS FIVE.

JOJO SEEMS RAMBUNCTIOUS, BUT HE'S ALWAYS BEEN SOMEWHAT OF A LONER...

...WITH A DOG ?

HE'S FRIENDS ...

I'LL TELL YOU THE STORY OF WHEN JOJO AND DANNY FIRST MET... WHEN HE WAS FIRST BROUGHT TO OUR HOME, DANNY WAS AFRAID OF BEING A NEW PLACE AND MEETING NEW PEOPLE.

AFTER THAT, JOJO STARTED TO TEASE DANNY BECAUSE HE WAS AFRAID OF HIM! HE WAS JUST A BOY AT THE TIME-- YOU CAN'T BLAME HIM.

JOJO TRIED TO PET DANNY AND GOT BIT!

...AND SCARE HIM WITH THE BROOM. I PUNISHED HIM FOR THAT, OF COURSE...

HE WOULD THROW ROCKS AT HIM...

BUT ONE DAY, AT THE RIVER BEHIND THE MANSION...

SPLASH

JOJO WAS DROWNING!

GASP GASP!

ZOOOM

JUST THEN, SOME-ONE CAME RUNNING!

JOJO WAS BY HIMSELF, WITH NO ONE AROUND HIM TO HEAR HIS CRIES! HE WAS FACING DEATH, BUT...!

GASP

SPLUSH

SOME-ONE..!

SPLAAAAASH!

HE UNDER-STANDS THE VALUE OF LIFE! WHAT AN INCREDIBLE DOG!

JOJO WAS TOUCHED BY DANNY'S ACTIONS THAT DAY... AND THAT'S WHEN THEY FIRST BECAME FRIENDS.

DANNY MAY HAVE STILL FELT RESENTMENT AGAINST JOJO, AND HE CERTAINLY HAD NO DUTY TO SAVE HIM-- BUT HE HEARD HIS SCREAMS AND CAME RUSHING TO HELP!

NOT SOMEONE, SOME *DOG!* DANNY CAME TO HELP!

Jo Jonathan

The title of the series is *JoJo's Bizarre Adventure*, but first and foremost, I actually wanted to draw Dio. Good and evil, white and black—Jonathan and Dio function as symbols and are foils for one another. The series had the potential to go on, so in my mind, I wanted to create a "first Joestar" that could function as a symbol of purity and dignity rather than a unique, fresh character--that's why it was hard to come up with him.

There are limitations on how I could write the character because he was a "symbol of justice," so he may be a little on the boring side. I solidified his character as I went. Jonathan is passive, reacting to Dio's various attacks, and this leads to him discovering his way of life. Perhaps this is linked to me as an author, growing along with my character as I drew him. Just as Jonathan was unsure as to how to live his life, I was unsure as to where to take the character. Maybe I grew as an author a little with Jonathan as he trudged on through his hardships.

In Part 1, during the seven years after Danny's death, Jonathan gets very muscular. This change was made with the upcoming battle between him and Dio in mind. I thought his physique needed to be able to withstand the constant onslaught from this point on. In addition, when this part was originally being serialized, it was the era of "muscles" on the silver screen—guys like Schwarzenegger and Stallone. Schwarzenegger, for example, could never be stopped by any amount of gunfire, right? I wanted Jonathan to have a similar look to him—a look of unstoppableness. *Weekly Shonen Jump* also has a history and tradition of main characters evolving and growing.

I also wanted Jonathan to exude an aura of strength like in *Karate Baka Ichidai* after doing martial arts training alone in the mountains. As a child, I loved karate manga—you would see all kinds of supernatural strength, like punching electrical poles and having the birds on the wires drop down or someone trying to stab another person with a knife, only to have the knife bend. In actuality, martial arts does have a certain mystique to it, such as strengthening punches with breathing techniques. I wanted to include supernatural things like that in *JoJo*, and I believe that the Hamon is inspired by my love of karate manga.

The story behind the new illustration for JoJo 01!
Q. Did Dio and Danny make up?
A. Just for the cover.
It's hard drawing characters from Part 1 after all this time, but it's like meeting up with old friends.

I'M SPEEDWAGON, THE MEDDLER!

I WAS WORRIED ABOUT MR. JOESTAR HERE, SO I FOLLOWED HIM BACK FROM THE SLUMS OF LONDON!
